## MOTIVATION

As a university or Software Engineering student, the biggest source of my motivation is **Sir Naveed Sarwar** because he is not only a **Good CEO, Developer**, but he is also the **best trainer** and changing the **young generation's life**.

I love to train the young generation because every single day we make a difference in someone's life which goes far beyond knowledge. We **inspire, support, mentor** and get the chance to discover and share some of the best parts of ourselves as human beings.
